

Prénom :

Date :

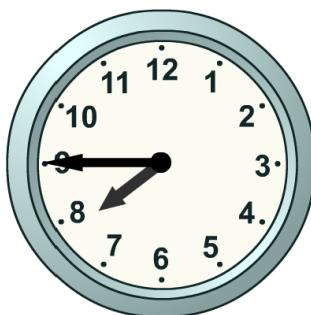

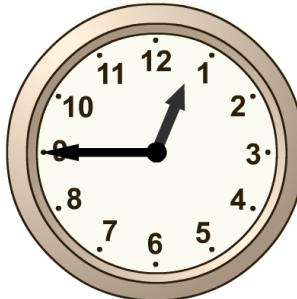

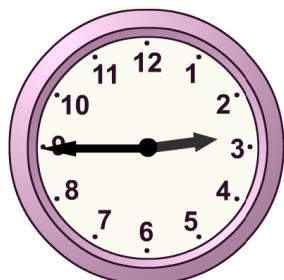

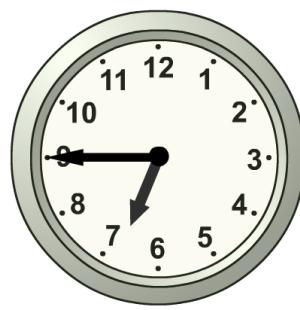

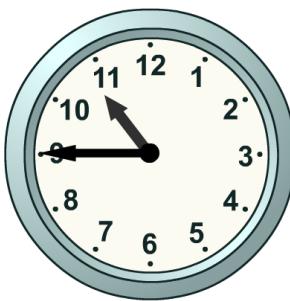

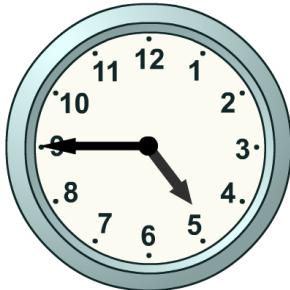

Mathématiques : grandeurs et mesures → la lecture de l'heure :
les trois quarts d'heure

Objectif de la séance : Lire l'heure en incluant les trois quarts d'heure.

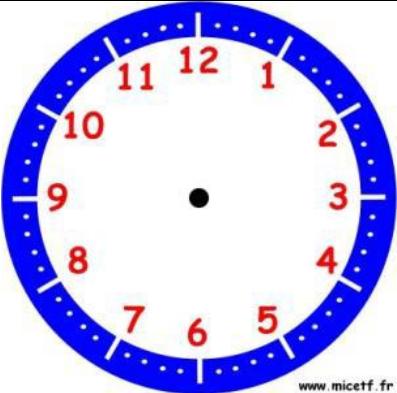

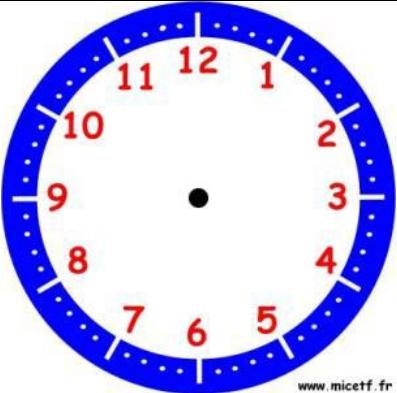

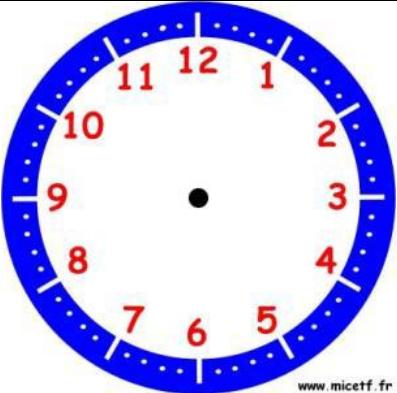

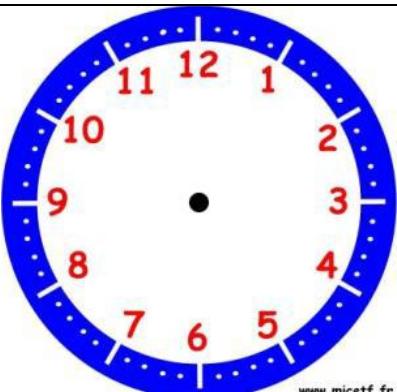

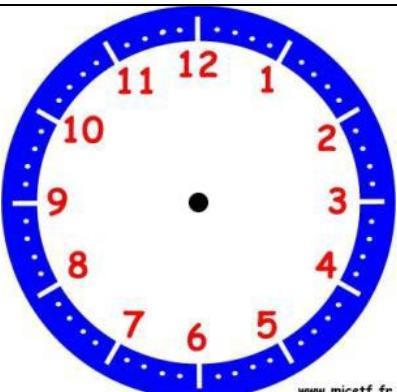

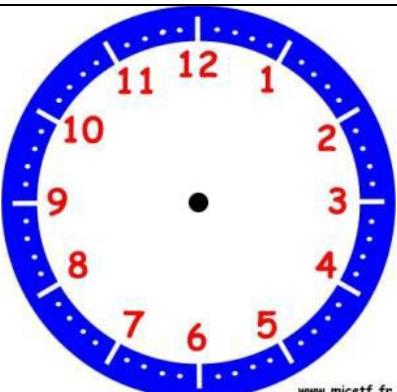

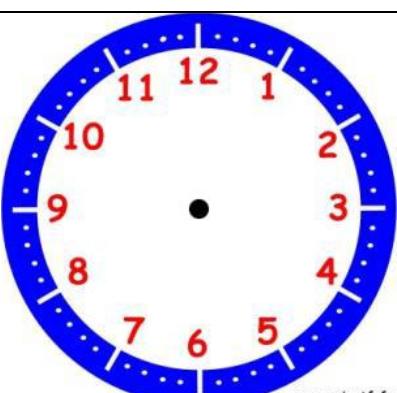

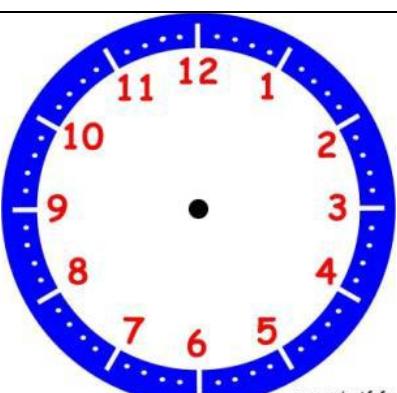

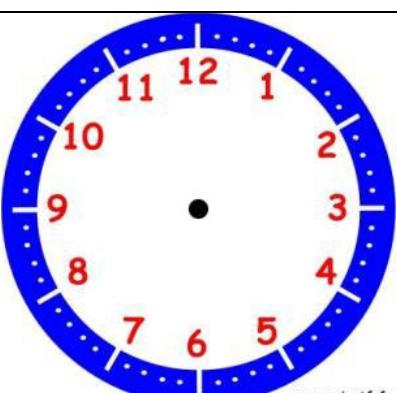

Objectif de la séquence : Savoir lire et indiquer l'heure.

Compétences du BO 218 : **Modéliser** : Utiliser des outils mathématiques pour résoudre des problèmes concrets, notamment des problèmes portant sur des grandeurs et leurs mesures.

Consigne n°1 : Lis l'heure indiquée sur chaque horloge puis écris-la dans l'encadré placé au-dessous.

Consigne n°2 : Lis l'heure indiquée puis trace les aiguilles dans chaque horloge.
